Monthly Report Chief's Notes:

Check out our new and improved website and tell us what you think. You will find helpful links to forms, ordinances, etc.

We have great news! We are currently screening two candidates to fill the two vacant police officer positions we have at the department. Fingers crossed, we are hopeful these candidates will be up and hitting the ground running by the upcoming summer season.

At the March Township Board meeting, Officer Danielle Brown has been approved to be the department's school recourse officer! We have heard great things about her performance at the school and we are excited to have her there in partnership with the school district.

Chief Todd Taylor
