Section 5. Bond Details. For the purpose of providing funds to undertake the Project and the Refunding, there shall be issued and sold the Bonds in the principal amount of not to exceed \$2,250,000. The Bonds shall each be designated "Water Supply System Revenue and Revenue Refunding Bond, Series 1994". That portion of the Bonds being issued to pay the costs of the Refunding shall be considered revenue refunding bonds as provided in the Revenue Bond Act. The Bonds shall be dated July 1, 1994, and shall also bear the date of authentication thereof. The Bonds shall be in fully registered form, shall be in denominations of \$5,000 each, and authorized integral multiples thereof (but no single Bond shall represent principal maturing on more than one date), shall be numbered 1 and upward, shall bear interest at the rate or rates per annum not to exceed 8.00% per annum, and shall mature serially on May 1 of each of the years (subject to redemption as hereinafter stated) and in the amounts set forth below; *provided, however,* that the Designated Officials, aided by the Financial Advisor, at the time of sale of the Bonds may approve different principal amounts for any maturity, pursuant to the authority provided in Section 22 hereof, so long as the aggregate principal amount of the Bonds shall not exceed \$2,250,000:

YEAR OF MATURITY	PRINCIPAL AMOUNT (\$)
1995	60,000
1996	65,000
1997	70,000
1998	75,000
1999	75,000
2000	80,000
2001	85,000

2009	140,000
2010	145,000
2011	155,000
2012	165,000
2013	175,000
2014	185,000

The actual rates per annum of each maturity of the Bonds shall be determined upon the sale of the Bonds as provided in Section 22 hereof; *provided, however*, that if the Bonds are sold at a discount, which discount shall not exceed 3.00% of the principal amount of the Bonds, the Bonds shall not be sold at a price which would make the net interest rate on the Bonds exceed 8.00% per annum.

The Bonds maturing in any one or more of the years 2005 through 2014, inclusive, may be designated at the time of sale of the Bonds by the Designated Officials, aided by the Financial Advisor and pursuant to the authority provided in Section 22 hereof, as term bonds (the "*Term Bonds*"). The Term Bonds shall be subject to mandatory redemption at a price of par and accrued interest, without premium, on May 1 of the years and in the amounts approved by the Designated Officials at the time of sale of the Bonds.

The Bonds shall bear interest from their date or from the most recent interest payment date to which interest has been paid or duly provided for, until the principal

amount of the Bonds is paid, such interest (computed upon the basis of a 360-day year of twelve 30-day months), being payable on May 1 and November 1 of each year, commencing on November 1, 1994. Interest on each Bond shall be paid by check or draft of the Paying Agent, payable upon presentation in lawful money of the United States of America, to the person in whose name such Bond is registered at the close of business on the 15th day of the month next preceding the interest payment date. The principal of the Bonds shall be payable upon presentation in lawful money of the United States of America at the designated office of the Paying Agent.

Section 6. Term Bonds, Mandatory Redemption and Covenants. Term Bonds shall be subject to mandatory redemption by operation of the Bond and Interest Redemption Fund at a price of par and accrued interest, without premium, on the dates and years and in the amounts as provided in Section 5 above.

The Township covenants that it will redeem Term Bonds pursuant to the mandatory redemption requirement for such Term Bonds. Proper provision for mandatory redemption having been made, the Township covenants that the Term Bonds so selected for redemption shall be payable as at maturity.

Section 7. Effect of Purchase or Redemption on Term Bonds. If the Township redeems Term Bonds pursuant to optional redemption or purchases Term Bonds of any maturity and cancels the same from funds on deposit in the Bond Fund as hereinafter described, then an amount equal to the principal amount of Term Bonds so redeemed or purchased shall be deducted from the mandatory redemption requirement as provided for Term Bonds of such maturity, first, in the current year of such requirement, until the requirement for the current year has been fully met, and then in any order of such Term

Bonds as due at maturity or subject to mandatory redemption in any year, as the Township shall determine.

If the Township redeems pursuant to optional redemption or purchases Term Bonds of any maturity and cancels the same from moneys other than funds on deposit in the Bond Fund, then an amount equal to the principal amount of Term Bonds so redeemed or purchased shall be deducted from the amount of such Term Bonds as due at maturity or subject to mandatory redemption requirement in any year, as the Township shall determine.

Section 8. Optional Redemption; Redemption Procedure. The Bonds due on May 1, 2004, and thereafter are subject to redemption and payment prior to their maturity, at the option of the Township, in whole or in part, from any available funds, on May 1, 2003, or on any interest payment date thereafter, and if in part, in an amount which is equal to at least \$5,000 or is an integral multiple thereof, in any order of maturities and within any maturity by lot, at a redemption price of par and accrued interest to the date fixed for redemption.

The Bonds shall be redeemed only in the principal amount of \$5,000 each and integral multiples thereof. The Township shall, at least forty-five (45) days prior to the redemption date (unless a shorter time period shall be satisfactory to the Bond Registrar), notify the Bond Registrar of such redemption date and of the principal amount of Bonds to be redeemed.

In the event of a partial redemption of Bonds of a given maturity, the particular Bonds or portions thereof to be redeemed shall be selected by lot not more than sixty (60) days prior to the redemption date by the Bond Registrar. With respect to partial redemptions, the Bond Registrar shall select the Bonds or portions thereof to be redeemed by such method of lottery as the Bond Registrar shall deem fair and appropriate; *provided*

that such lottery shall provide for the selection for redemption of Bonds or portions thereof so that any \$5,000 Bond or \$5,000 portion of a Bond shall be as likely to be called for redemption as any other such \$5,000 Bond or \$5,000 portion.

The Bond Registrar shall promptly notify the Township in writing of the Bonds or portions of Bonds selected for redemption and, in the case of any Bond selected for partial redemption, the principal amount thereof to be redeemed.

Unless waived by the owner of Bonds to be redeemed, notice of any such redemption shall be given by the Bond Registrar on behalf of the Township by mailing the redemption notice by registered or certified mail not less than thirty (30) days and not more than sixty (60) days prior to the date fixed for redemption to each registered owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such registered owners to the Bond Registrar.

All notices of redemption shall include at least the information as follows:

- (1) the redemption date;
- (2) the redemption price;
- (3) if less than all of the Bonds of a single maturity are to be redeemed, the identification (and, in the case of partial redemption of any Bonds, the respective principal amounts) of the Bonds to be redeemed;
- (4) a statement that on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption and that interest thereon shall cease to accrue from and after said date; and
- (5) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the principal corporate trust office of the Bond Registrar.

Prior to any redemption date, the Township shall deposit with the Bond Registrar an amount of money sufficient to pay the redemption price of all the Bonds or portions of Bonds which are to be redeemed on that date.

Notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the Township shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest. Neither the failure to mail such redemption notice, nor any defect in any notice so mailed, to any particular registered owner, shall affect the sufficiency of such notice with respect to other Bonds. Notice having been properly given, failure of a registered owner to receive such notice shall not be deemed to invalidate, limit or delay the effect of the notice or redemption action described in the notice. Such notice may be waived in writing by a registered owner entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by registered owners shall be filed with the Bond Registrar, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Bond Registrar at the redemption price. Interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the registered owner a new Bond or Bonds of the same maturity and rate of interest in the amount of the unpaid principal.

If any Bond or portion of Bond called for redemption shall not be so paid upon surrender thereof for redemption, the principal shall, until paid, bear interest from the

redemption date at the rate borne by the Bond or portion of Bond so called for redemption. All Bonds which have been redeemed shall be cancelled and destroyed by the Bond Registrar and shall not be reissued.

Additional Bonds hereinafter issued pursuant to the terms hereof may be redeemable at such times and upon such terms as may be determined at the time of authorization thereof.

Section 9. Amendment. The rights and obligations of the Township and of the owners of Outstanding Bonds may from time to time be modified or amended by a supplemental ordinance adopted by the Township Board with the written consent of the owners of not less than two-thirds ($\frac{2}{3}$ rds) of the principal amount of all Outstanding Bonds (excluding any of said bonds owned by or under the control of the Township); *provided, however,* that no such modification or amendment shall extend or change the maturity of or date of redemption prior to maturity, or reduce the interest rate on, or permit the creation of a preference or priority of any Outstanding Bond or Outstanding Bonds over any other Outstanding Bond or Outstanding Bonds, or otherwise alter or impair the obligation of the Township to pay the principal of and interest on any of the Outstanding Bonds at the time, place, rate, and in the currency provided therein, or alter or impair the obligations of the Township with respect to registration, transfer, exchange or notice of redemption of Bonds, without the express consent of the owners of all the Outstanding Bonds affected; nor shall any such modification or amendment reduce the percentage of the owners of Outstanding Bonds required for the written consent of such modification or amendment without the consent of the owners of all of the Outstanding Bonds.

Section 10. Execution; Authentication. The Bonds shall be executed on behalf of the Township with the manual or duly authorized facsimile signature of the Supervisor and attested with the manual or duly authorized facsimile signature of the Clerk, as they may

determine, and shall have impressed or imprinted thereon the corporate seal or facsimile thereof of the Township. In case any officer whose signature shall appear on any Bond shall cease to be such officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

All Bonds shall have thereon a certificate of authentication substantially in the form hereinafter set forth duly executed by the Bond Registrar as authenticating agent of the Township and showing the date of authentication. No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Ordinance unless and until such certificate of authentication shall have been duly executed by the Bond Registrar by manual signature, and such certificate of authentication upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Ordinance. The certificate of authentication on any Bond shall be deemed to have been executed by it if signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the certificate of authentication on all of the Bonds issued hereunder.

Section 11. Registration of Bonds; Persons Treated as Owners. The Township shall cause the Bond Register to be kept at the designated office of the Bond Registrar, which is hereby constituted and appointed the registrar of the Township. The Township is authorized to prepare, and the Bond Registrar or such other agent as the Township may designate shall keep custody of, multiple Bond blanks executed by the Township for use in the transfer and exchange of Bonds.

Upon surrender for transfer of any Bond at the designated office of the Bond Registrar, duly endorsed by, or accompanied by a written instrument or instruments of

transfer in form satisfactory to the Bond Registrar and duly executed by, the registered owner or his attorney duly authorized in writing, the Township shall execute and the Bond Registrar shall authenticate, date and deliver in the name of the transferee or transferees a new fully registered Bond or Bonds of the same maturity and rate of interest of authorized denominations, for a like aggregate principal amount. Any fully registered Bond or Bonds may be exchanged at said office of the Bond Registrar for a like aggregate principal amount of Bond or Bonds of the same maturity and rate of interest of other authorized denominations. The execution by the Township of any fully registered Bond shall constitute full and due authorization of such Bond; and the Bond Registrar shall thereby be authorized to authenticate, date and deliver such Bond; *provided, however,* the principal amount of outstanding Bonds of each maturity authenticated by the Bond Registrar shall not at any one time exceed the authorized principal amount of Bonds for such maturity less the amount of such Bonds which have been paid.

The Bond Registrar shall not be required to transfer or exchange any Bond during the period from the fifteenth day of the month next preceding an interest payment date to such interest payment date, or to transfer or exchange any Bond after notice calling such Bond for redemption has been mailed, or to transfer or exchange any Bond during a period of fifteen days next preceding mailing of a notice of redemption of any Bonds.

The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of or interest on any Bond shall be made only to or upon the order of the registered owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

No service charge shall be made for any transfer or exchange of Bonds, but the Township or the Bond Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds except in the case of the issuance of a Bond or Bonds for the unredeemed portion of a Bond surrendered for redemption.

Section 12. Form of Bond. The Bonds shall be prepared in compliance with the National Standard Specifications for Fully Registered Municipal Securities prepared by the American National Standards Institute and shall be in substantially the form hereinafter set forth; *provided, however,* that if the text of the Bond is to be printed in its entirety on the front side of the Bond, then paragraph [2] and the legend, "See Reverse Side for Additional Provisions," shall be omitted and paragraphs [6] through [16] shall be inserted immediately after paragraph [1]. The form of Bond hereinafter set forth shall not be published as a part of this Ordinance.

[FORM OF BOND — REVERSE SIDE]

**THE TOWNSHIP OF CHIKAMING, COUNTY OF BERRIEN, MICHIGAN
WATER SUPPLY SYSTEM REVENUE AND REVENUE REFUNDING BOND,
SERIES 1994**

[6] This bond and the bonds of the series of which it forms a part ("*Bond*" and "*Bonds*" respectively) are of an authorized issue of \$ _____, of like dated date and tenor except as to maturity, rate of interest and privilege of redemption. The Bonds are payable solely from the Revenues derived from the operation of the water supply system of the Township (the "*System*"), after payment of Operation and Maintenance Costs (the "*Net Revenues*"), and not otherwise, and are issued under authority of the provisions of the Revenue Bond Act of 1933 of the State of Michigan, Act No. 94, Public Acts of Michigan, 1933, as amended ("*Revenue Bond Act*"). The Bonds are issued for the purpose of constructing certain improvements to the System and of refunding the hereinafter defined Currently Outstanding Bonds of the Township. That portion of the Bonds issued for such refunding purposes shall be considered revenue refunding bonds as provided in the Revenue Bond Act. The Bonds are issued pursuant to an authorizing resolution passed by the Township Board (the "*Township Board*") of the Township on the 10th day of February, 1994, and a more complete bond ordinance passed by the Township Board on the 5th day of April, 1994 (the "*Bond Ordinance*"), to which reference is hereby expressly made for further definitions and terms and to all the provisions of which the holder by the acceptance of this Bond assents. This Bond does not constitute an indebtedness of the Township within the meaning of any constitutional or statutory provision or limitation. This Bond is a limited obligation of the Township payable solely from the Net Revenues as provided herein.

[7] Under the Revenue Bond Act and the Bond Ordinance, the Revenues from the operation of the System shall be deposited into the Receiving Fund, which shall be used only

and is hereby pledged for paying Operation and Maintenance Costs, paying the principal of and interest on all bonds of the Township that are payable by their terms only from the Revenues of the System, providing a reserve for such bonds, providing an adequate depreciation fund, and in making all payments required to maintain the funds and accounts maintained under the terms of the Bond Ordinance. The Township has heretofore issued its \$775,000 original issue Water Supply System No. 1 Revenue Bonds, dated September 1, 1965, \$240,000 of which are currently outstanding (the "1965 Bonds") and its \$375,000 original issue Water Supply System Revenue Bonds, Series 1989, dated June 1, 1989, \$205,000 of which are currently outstanding (the "1989 Bonds" and, together with the 1965 Bonds, the "Currently Outstanding Bonds"). A portion of the Bonds is being issued to refund in whole the Currently Outstanding Bonds. Additional bonds may be issued subsequent in time to the Bonds, on a parity with the Bonds (such additional bonds, together with the Bonds, being the "Outstanding Bonds").

[8] Outstanding Bonds issued and authenticated pursuant to the Bond Ordinance are co-equal as to the lien on the Revenues of the System for their payment and share ratably and equally in the earnings of the System, without any preference, priority, or distinction, the one over the other, as to the source or method of payment and security, with all of the Outstanding Bonds.

[9] The rights and obligations of the Township and of the owners of the Bonds may from time to time be modified or amended by a supplemental ordinance adopted by the Township Board with the written consent of the owners of not less than two-thirds (2/3rds) of the principal amount of all Outstanding Bonds (excluding any of said bonds owned by or under the control of the Township); *provided, however*, that no such modification or amendment shall extend or change the maturity of or date of redemption prior to maturity,

or reduce the interest rate or premium on, or permit the creation of a preference or priority of any Outstanding Bond or Outstanding Bonds over any other Outstanding Bond or Outstanding Bonds, or otherwise alter or impair the obligation of the Township to pay the principal of or interest on any of the Outstanding Bonds at the time, place, rate and in the currency provided therein or alter or impair the obligations of the Township with respect to registration, transfer, exchange or notice of redemption of Bonds, without the express consent of the owners of all the Outstanding Bonds affected; nor shall any such modification or amendment reduce the percentage of the owners of Outstanding Bonds required for the written consent to such modification or amendment without the consent of the owners of all of the Outstanding Bonds.

[10] The Bonds maturing on _____ are Term Bonds and are subject to mandatory redemption at a price of par and accrued interest, without premium, on May 1 of the years and in the amounts as follows:

YEAR	AMOUNT (\$)
------	-------------

[11] The Bonds due on May 1, 2004, and thereafter are subject to redemption at the option of the Township in whole or in part, and if in part, in any order of maturity and within any maturity by lot, on May 1, 2003, or any interest payment date thereafter, at a price of par and accrued interest to the date fixed for redemption.

[12] Unless waived by the Registered Owner of Bonds to be redeemed, notice of any such redemption shall be sent by registered or certified mail not less than thirty (30) days nor more than sixty (60) days prior to the date fixed for redemption to the Registered Owner of each Bond to be redeemed at the address shown on the registration books of the Township maintained by the Bond Registrar or at such other address as is furnished in writing by such Registered Owner to the Bond Registrar. Neither the failure to mail such redemption notice, nor any defect in any notice so mailed, to any particular Registered Owner, shall affect the sufficiency of such notice with respect to other Bonds. Notice having been properly given, failure of a Registered Owner to receive such notice shall not be deemed to invalidate, limit or delay the effect of the notice or redemption action described in the notice. Such notice may be waived in writing by a Registered Owner entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by registered owners shall be filed with the Bond Registrar, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver. When so called for redemption, this Bond will cease to bear interest on the specified redemption date, provided funds for redemption are on deposit at the place of payment at that time.

[13] This Bond is transferable by the Registered Owner hereof in person or by his attorney duly authorized in writing at the principal corporate trust office of the Bond Registrar only in the manner, subject to the limitations and upon payment of the charges provided in the Bond Ordinance, and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds of authorized denominations of the same maturity and rate of interest and for the same aggregate principal amount will be issued to the transferee in exchange therefor.

[14] The Bonds are issued in fully registered form in the denomination of \$5,000 each or authorized integral multiples thereof. This Bond may be exchanged at the principal corporate trust office of the Bond Registrar for a like aggregate principal amount of Bonds of the same maturity and rate of interest of other authorized denominations upon the terms set forth in the Bond Ordinance.

[15] The Township, the Paying Agent and the Bond Registrar may deem and treat the Registered Owner hereof as the absolute owner hereof for the purpose of receiving payment of or on account of principal hereof and interest due hereon and for all other purposes, and neither the Township, the Paying Agent nor the Bond Registrar shall be affected by any notice to the contrary.

[16] The Township has designated this Bond as a "qualified tax-exempt obligation" pursuant to Section 265(b)(3) of the Internal Revenue Code of 1986.

Section 13. Bonds Limited Obligations. The Bonds shall be payable solely from the Net Revenues as derived from the operation of the System, and shall not constitute an indebtedness of the Township within the meaning of any constitutional, statutory or charter limitation.

Section 14. Receiving Fund. Upon the issuance of any of the Bonds, the System, for the purpose of this Ordinance and while any of the Bonds is an Outstanding Bond, shall be operated on an Operating Year basis. All of the Revenues shall be set aside as collected and be deposited into a separate fund and in an account in a bank to be designated by the Township Board, which fund is hereby created and designated as the "Receiving Fund" (the "Receiving Fund") of the Township, which shall constitute a trust fund for the sole purpose of carrying out the covenants, terms, and conditions of this Ordinance, and shall be used only for the purpose of setting aside and transferring Revenues for paying Operation and

Maintenance Costs, providing a reserve for the Bonds, providing an adequate depreciation fund, paying the principal of and interest on all revenue bonds of the Township which by their terms are payable solely from the Revenues derived from the System, and providing for the establishment of and expenditure from the respective accounts as hereinafter described.

Section 15. Creation of Special Funds; Flow of Funds The Revenues are pledged for the purposes of the following funds, hereby created: the "Operation and Maintenance Fund", the "Bond and Interest Redemption Fund", in which there are hereby created the "Bond and Interest Account" and the "Bond Reserve Account", the "Depreciation, Improvement and Extension Fund", and the "Surplus Fund." The Revenues as collected shall be set aside in the Receiving Fund and transferred into such funds by the Treasurer of the Township on the first Business Day of each month, without any further official action or direction, in the order in which said funds are hereinafter mentioned, as follows:

A. OPERATION AND MAINTENANCE FUND:

There shall be transferred to the Operation and Maintenance Fund an amount sufficient, when added to the amount then on deposit to the credit of said Fund, to establish a balance to an amount not less than the amount necessary to pay Operation and Maintenance Costs for the then current month. Amounts in said Fund shall be used to pay Operation and Maintenance Costs.

B. BOND AND INTEREST REDEMPTION FUND:

(1) After making any payments required for the benefit of the 1965 Bonds, there next shall be transferred to the Bond and Interest Account of the Bond and Interest Redemption Fund and held, in cash and investments, a fractional amount of the interest becoming due on the next succeeding interest payment date on all Outstanding Bonds and also a fractional amount of the principal becoming due or subject to mandatory redemption on the next succeeding principal maturity or mandatory redemption date of all of the Outstanding Bonds until there shall have been accumulated and held, in cash and investments, in the Bond and Interest Account on or before the last day of the month preceding such maturity date of interest or maturity

or mandatory redemption date of principal, an amount sufficient to pay such principal or interest, or both.

In computing the fractional amount to be set aside each month in the Bond and Interest Account, the fraction shall be so computed that a sufficient amount will be set aside in said Account and will be available for the prompt payment of such principal of and interest on all Outstanding Bonds and shall be not less than one-sixth of the interest becoming due on the next succeeding interest payment date and not less than one-twelfth of the principal becoming due or subject to mandatory redemption on the next succeeding principal payment or mandatory redemption date on all Outstanding Bonds until there is sufficient money in said Account to pay such principal or interest, or both.

Credits to the Bond and Interest Account may be suspended in any Operating Year at such time as there shall be a sufficient sum, held in cash and investments, in said Account to meet principal and interest requirements in said Account for the balance of such Operating Year, but such credits shall again be resumed at the beginning of the next Operating Year.

All moneys in said Account shall be used only for the purpose of paying interest on and principal of Outstanding Bonds.

(2) After making any payments required for the benefit of the 1965 Bonds, on the date of delivery of the Bonds, the sum of \$50,000 shall be transferred from funds on hand as a reserve for payment of principal of and interest on the Currently Outstanding Bonds to the Bond Reserve Account and the sum of \$160,000 shall be deposited therein as provided in Section 23 hereof.

In the event of a withdrawal from the Bond Reserve Account, the Township covenants to replenish the Bond Reserve Account at the rate per month of $\frac{1}{12}$ of the amount withdrawn. If the amount on deposit to the credit of the Bond Reserve Account exceeds Maximum Annual Debt Service, the Township Board shall credit such excess to the Depreciation, Improvement and Extension Fund or transfer such excess to the Surplus Fund, as they determine.

Amounts to the credit of the Bond Reserve Account shall be transferred to the Bond and Interest Account to pay principal of and interest on the Outstanding Bonds at any time when there are insufficient funds available in the Bond and Interest Account to pay the same.

Moneys in the Bond Reserve Account may be used to pay principal of and interest on Bonds due on May 1, 2014, so long as no Outstanding Bonds shall remain outstanding at the time of such payment, without replenishing the Bond Reserve Account.

C. DEPRECIATION, IMPROVEMENT AND EXTENSION FUND:

On the date of delivery of the Bonds, the sum of \$10,000 shall be transferred from the Replacement Fund created and established by the 1965 Bond Ordinance and continued by the 1989 Bond Resolution to the Depreciation, Improvement and Extension Fund (the "*Depreciation Fund*").

Beginning the month after the delivery of any of the Bonds, there shall be transferred to the Depreciation Fund and held, in cash and investments, the sum of \$2,000 each month until the amount on deposit to the credit of said Fund aggregates the sum of not less than \$150,000. Whenever for any reason the amount on deposit to the credit of said Fund is less than \$150,000, credits into said Fund shall be resumed in the amount of \$2,000 each month and continued until the amount on deposit to the credit of said Fund is once again equal to not less than \$150,000.

Amounts to the credit of said Depreciation Fund shall be used for (i) the payment of the cost of extraordinary maintenance, necessary repairs and replacements, or contingencies, the payment for which no other funds are available, in order that the System may at all times be able to render efficient service, (ii) for the purpose of acquiring or constructing improvements and extensions to the System, and (iii) the payment of principal of or interest on any Outstanding Bonds at any time when there are no other funds available for that purpose in order to prevent a default and shall be transferred to the Bond and Interest Account of the Bond and Interest Redemption Fund for such purpose without any further official action of the Township Board.

Notwithstanding the foregoing, whenever an amount is withdrawn from such Fund for the purpose stated in clause (iii) of the preceding paragraph, the amount so transferred shall be added to the amount to be next and thereafter credited to said Depreciation Fund until full reimbursement to said Fund has been made. Each expenditure to be made from such Fund for a purpose stated in clause (i) or (ii) of the preceding paragraph shall be made only after an independent registered professional engineer employed for that purpose has certified that such expenditure is necessary to the continued effective and efficient operation of the System.

D. SURPLUS FUND:

Any moneys remaining in the Receiving Fund at the end of any Operating Year are deemed surplus and shall be transferred to the Surplus Fund. Amounts in the Surplus Fund may be transferred to the funds hereinabove mentioned or may be used for such purpose or purposes as the Township Board may determine to be for the best interests of the Township, including, without any priority among them, the following:

- (1) For the purpose of making additional deposits in any of the funds or accounts hereinabove named; or

(5) For the purpose of paying principal of and interest and applicable premium on any subordinate bonds or obligations issued for the purpose of acquiring, installing or constructing repairs, replacements, renewals, improvements and extensions to the System.

E. In the event that moneys in the Receiving Fund are insufficient to provide for the current requirements of the Operation and Maintenance Fund or the Bond and Interest Redemption Fund, any moneys and or securities in the other funds hereinabove mentioned shall be transferred first to the Operation and Maintenance Fund and second to the Bond and Interest Redemption Fund to the extent of any deficits therein.

F. (1) Moneys in the several funds hereinabove mentioned shall be deposited with one or more banks, savings and loan associations, or credit unions hereafter designated by the Township Board. Moneys in the several funds hereinabove mentioned, except money in the Bond and Interest Redemption Fund and money derived from the proceeds of sale of the Bonds, may be kept in one account at a bank, savings and loan association, or credit union. In that case the money in the account shall be allocated on the books and records of the Township to the funds in the manner provided in this Ordinance. Moneys in the several funds may be kept in separate depository accounts. The moneys in the Bond and Interest Redemption Fund shall be kept in a separate depository account.

In addition to any other lawful enforcement methods, the payment of charges for water service to any premises may be enforced by discontinuing the water service to the premises as provided in the Rate Ordinance.

Section 18. Pledge of Net Revenues; Lien on Net Revenues Created; Enforcement.

(a) The principal of and interest on Outstanding Bonds shall be payable solely from the Net Revenues.

(b) There is hereby created a lien, by the Revenue Bond Act made a statutory lien, upon the Net Revenues, to and in favor of the holders of Outstanding Bonds, and each of

such holders, which liens shall be subject only to the lien created in favor of the holders of the 1965 Bonds, for which a portion of the proceeds of the Bonds shall be deposited in an amount sufficient with interest on investments thereof to pay in full on the Call Date the principal of, premium, if any, and interest on the 1965 Bonds. The Net Revenues which are hereby pledged to the payment of all Outstanding Bonds shall be and remain subject to such lien until (i) the payment in full of the principal of and interest on all Outstanding Bonds or (ii) the provision for payment of all Outstanding Bonds has been made by the Township by the deposit in an irrevocable trust or escrow of funds or direct, full faith and credit obligations of the United States of America, the principal of and interest on which will be sufficient to pay at maturity or as called for redemption all the principal of and interest on such Outstanding Bonds.

If there is a default in the payment of the principal of or interest on the Bonds, any court having jurisdiction in any proper action may appoint a receiver to administer and operate the System on behalf of the Township and under the direction of the court, and by and with the approval of the court to perform all of the duties of the officers of the Township more particularly set forth herein and in the Revenue Bond Act.

The registered owner or owners of the Bonds shall have all other rights and remedies given by the Revenue Bond Act for the payment and enforcement of the Bonds and the security therefor.

Section 19. General Covenants. The Township covenants and agrees with the holders of the Outstanding Bonds, so long as there are any Outstanding Bonds (as defined herein), as follows:

There shall be charged against all users of the System, including the Township, such rates and amounts for water services as shall be adequate to meet the requirements of this subsection. Rates for water fixed precedent to the issuance of the Bonds shall not be reduced until all of the Bonds have been fully paid or provision for payment has been provided for in accordance with the provisions of this Ordinance. Charges for services rendered the Township shall be made against the Township, and payment for the same shall be made monthly or quarterly, in the discretion of the Township Board, from the corporate funds into the Receiving Fund as Revenues derived from the operation of the System.

Whenever money in the Bond Reserve Account is used to pay principal of or interest on Outstanding Bonds, the Township covenants to have prepared as soon as practicable a rate study for the System by an independent consultant employed for that purpose, and further, to send a copy of such study, when completed, to the original purchaser of the Bonds along with a letter indicating what action the Township has taken responsive to such study.

(c) The Township from time to time will make all needful and proper repairs, replacements, additions, and betterments to the System so that it may at all times be operated properly and advantageously; and when any necessary equipment or

The Township shall make such statement available to the public and shall file a certified copy thereof with the Department not later than six months after the close of such Operating Year as provided in the Revenue Bond Act. If the books of record and account pertaining the System are audited annually by a certified public accountant, the audit report of the annual audit, at the option of the Township Board, may be used in place of the statement to be prepared on forms furnished by the Department. Each such audit, in addition to whatever matters may be thought proper by the accountants to be included therein, shall, without limiting the generality of the foregoing, include the following:

(i) A statement in detail of income and expenditures of the System for such Operating Year.

(iii) The amount and details of all Outstanding Bonds.

All expenses of the audit required by this section shall be regarded and paid as Operation and Maintenance Costs.

It is further covenanted and agreed that a copy of each such audit shall be furnished upon completion to the original purchaser of the Bonds, if requested, and a summary thereof shall be furnished to any owner of a Bond upon request.

(f) The Township will keep the books and accounts for the System in accordance with generally accepted fund reporting practices for municipal enterprise funds; *provided, however*, that the monthly credits to the Bond and Interest Account, the Bond Reserve Account and the Depreciation Fund shall be in cash and said fund

and accounts shall be held separate and apart in cash and investments. For the purpose of determining whether sufficient cash and investments are on deposit in such fund and accounts under the terms and requirements of this Ordinance, investments shall be valued at amortized cost.

(g) The Township will not sell, lease, loan, mortgage or in any manner dispose of or encumber the System (subject to the right of the Township to issue Additional Bonds as provided in this Ordinance, to issue bonds subordinate to Outstanding Bonds, and to dispose of real or personal property which is no longer useful or necessary to the operation of the System), and the Township will take no action in relation to the System which would unfavorably affect the Outstanding Bonds or the prompt payment of the principal thereof and interest thereon. Any amounts received from the sale of property of the System shall be deposited to the credit of the Depreciation Fund.

(h) Any holder of a Bond may proceed by civil action to compel performance of all duties required by law and this Ordinance, including the making and collecting of sufficient charges and rates for the service supplied by the System and the application of the income and revenue therefrom.

(i) The Township will carry insurance on the System of the kinds and in the amounts which are usually carried by municipalities operating similar properties, covering such risks as shall be recommended by a competent consulting engineer or insurance consultant employed by the Township for the purpose of making such recommendations. All moneys received for loss under such insurance policies shall be deposited to the credit of the Depreciation Fund and used in making good the loss or damage in respect of which they were paid, either by repairing the property damaged or making replacement of the property destroyed, and provision for making good such loss or damage shall be commenced within ninety (90) days from the date of the loss. The payment of premiums for all insurance policies required under the provisions of this covenant shall be considered an Operation and Maintenance Cost. The proceeds derived from any and all policies for workers' compensation or public liability shall be paid into the Operation and Maintenance Fund and used in paying the claims on account of which they were received.

(j) Except as hereinabove expressly provided for services to the Township, the Township covenants not to provide any free service of the System, and, to the extent permitted by law, the Township will not grant a franchise for the operation of any competing water supply system, or combined water supply and sewerage system within the Township.

(k) The Township will adopt a budget for the funds and accounts created by Section 14 hereof prior to the beginning of each Operating Year, subject to applicable State law, providing for payment of all sums to be due in the Operating Year so as to comply with the terms of this Ordinance. The budget may include in its estimate of income the use of available surplus moneys or other funds of the Township

appropriated for the purpose. If during the Operating Year there are extraordinary receipts or payments of unusual cost, the Township will adopt an amended budget for the remainder of the Operating Year, providing for receipts or payments pursuant to this Ordinance.

(l) The Treasurer of the Township shall be the custodian of the funds derived from income of the System. He shall give proper bond for the faithful discharge of his duties as such custodian, and this bond shall be fixed and approved by the Township Board of the Township.

(m) The Township will at all times pay reasonable wages and salaries to the employees of the System during the course of operation of the System. Any wages or salaries which shall be determined by a court in any proper action to have been excessive shall be credited by the Township to the Operation and Maintenance Account.

Section 20. Issuance of Additional Bonds. As long as there are any Outstanding Bonds, no obligations or bonds of any kind shall be issued which are payable from the Revenues except upon compliance with one of the options (a) through (e) set out below:

(a) Additional Bonds may be issued for the purpose of paying the cost of subsequent enlargements, extensions, improvements or repairs to the System or for refunding Outstanding Bonds upon compliance with the following conditions:

(i) The amounts required to be credited monthly to the respective accounts described in subsections (a) through (c), inclusive, of Section 14 of this Ordinance must have been credited in full up to the date of the delivery of such Additional Bonds.

(ii) The Net Revenues of the System for the last completed Operating Year prior to the issuance of the Additional Bonds (as shown by the audit of an independent certified public accountant), or the adjusted Net Revenues of the System for such year (as defined herein) must equal at least 125% of Maximum Annual Debt Service computed immediately after the issuance of the proposed Additional Bonds, but only for those Operating Years in which the Outstanding Bonds immediately prior to such issuance will continue to be Outstanding Bonds as provided herein.

(iii) Net Revenues of the System may be adjusted as follows:

(A) In the event there shall have been an increase in the rates of the System from the rates in effect for the preceding Operating Year, which increase is in effect at the time of the issuance of any such Additional Bonds, the Net Revenues as described hereinabove may be

adjusted to reflect the Net Revenues of the System for the immediately preceding Operating Year as they would have been had said then existing rates been in effect during all of said Operating Year.

(B) Any such adjustment shall be evidenced by the certificate of an independent consulting engineer or an independent certified public accountant employed for that purpose, which certificate shall be filed with and approved by the Township Board prior to the issuance of the proposed Additional Bonds.

(b) Additional Bonds may be issued to refund Outstanding Bonds if the Additional Bonds so issued (i) do not exceed the principal amount of the Outstanding Bonds to be refunded, (ii) do not bear interest at a rate in excess of the Outstanding Bonds to be refunded, and (iii) do not mature earlier than any Outstanding Bonds not to be refunded.

(c) Additional Bonds may be issued to refund Outstanding Bonds in order to avoid default in the payment of principal of or interest on Outstanding Bonds; *provided*, they are issued to avoid such default within three months of the date thereof.

(d) Bonds or other obligations may be issued payable from the Revenues subordinate to the Outstanding Bonds. Such subordinate bonds shall be payable from the Surplus Account created in Section 14 of this Ordinance.

(e) Additional Bonds in an aggregate principal amount not to exceed \$150,000 may be issued to pay for the costs of completion of the Project without meeting the requirements set forth in Section 20(a) above.

All bonds issued under this Section shall mature as to principal on May 1 and as to interest on May 1 and November 1.

Contracts or agreements, including long-term and take or pay contracts or agreements, for the supply of water which by their terms require payment by the Township as an Operation and Maintenance Cost or from the Operation and Maintenance Fund are expressly excluded from the provisions of this Ordinance pertaining to Additional Bonds. Such contracts or agreements may be made by the Township notwithstanding any of the provisions herein.

Section 21. Approval of Department. The Designated Officials, or either of them, are hereby authorized and directed to make a sworn application to the Department, on forms furnished by the Department, for permission to issue the Bonds and shall attach to the application a certified copy of this Ordinance, and such other documents as may required by the Department. If the issuance of the Bonds is approved by the Department, the Bonds may be sold as provided in Section 22 hereof.

Section 22. Sale of the Bonds. The Designated Officials are authorized to do all things necessary to effectuate the sale, issuance, delivery, transfer and exchange of the Bonds in accordance with the provisions of this Ordinance. In connection with the sale, issuance and delivery of the Bonds, the Designated Officials are authorized to approve the interest rates, prices, discounts, and principal amounts of each authorized maturity of the Bonds and to authorize one or more Term Bonds, aided by the Financial Advisor, all subject to the limitations provided in Section 5 hereof.

The Bonds may be sold at a public or negotiated sale, as determined by the Designated Officials to be in the best interests of the Township. If the Bonds are sold at a public sale, notice of such sale, substantially in the form to be approved by resolution of the Township Board with such changes as may be required by the Department, shall be published at least 14 days before the sale date in a publication printed in the English language and circulated in the State, which carries as a part of its regular service notices of the sale of municipal bonds and which has been approved by the Department as a publication complying with the foregoing qualifications. Upon receipt of bids pursuant to the notice of sale, the Designated Officials shall award the Bonds to the bidder whose bid produces the lowest net interest cost on the Bonds.

The distribution of a Preliminary Official Statement (as shall be approved by the Designated Officials) is hereby in all respects authorized and approved, and the proposed use of an Official Statement (in substantially the form of the Preliminary Official Statement but with appropriate variations to reflect the final terms of the Bonds) is hereby approved.

Nothing in this Section shall require the Designated Officials to sell the Bonds if in their judgment, aided by the Financial Advisor, the conditions in the bond markets shall have markedly deteriorated from the time of adoption hereof, or the documents of sale are not in acceptable form, but the Designated Officials shall have the authority to sell the Bonds in any event so long as the limitations set forth in this Ordinance and the conditions of this Section shall have been met.

The Bonds shall be executed as in this Ordinance provided as soon after the sale thereof as may be, and thereupon be deposited with the Treasurer of the Township, and be by said Treasurer delivered to the Purchaser upon receipt of the purchase price therefor.

Section 23. Use of Proceeds; Construction Fund. The proceeds derived from the sale of the Bonds shall be used as follows:

(a) Accrued interest, if any, shall be credited to the Bond and Interest Account.

(b) The amount of \$160,000 shall be credited to the Bond Reserve Account.

(c) The amount necessary to pay the costs of the Refunding shall be deposited in the Escrow Fund held by the Escrow Agent pursuant to the Escrow Agreement hereby authorized to be executed by the Designated Officials in substantially the form to be approved by resolution of the Township Board. The Township by its Township Board shall by resolution (1) approve the form of the Escrow Agreement, (2) approve NBD Bank, N.A., Detroit, Michigan, as named in the Escrow Agreement, as the Escrow Agent, (3) authorize and direct the officers as designated in the Escrow Agreement to execute the same with such completions, corrections and revisions as they may approve, their execution to constitute conclusive evidence of their approval and of due execution and delivery under the terms of this ordinance, and (4) subject only to the funding of the Escrow Fund under the Escrow Agreement, irrevocably

call for redemption the Currently Outstanding Bonds required to be so called in accordance with the terms of the Escrow Agreement.

(d) The remainder shall be deposited into the "Construction Fund," hereby created (the "*Construction Fund*"), which shall be deposited in an account or accounts separate from other money of the Township in one or more banks, savings and loan associations, or credit unions, each having unimpaired capital and surplus amounting to at least \$2,000,000 or that are insured by the Federal Deposit Insurance Corporation, the Federal Savings and Loan Insurance corporation, or the National Credit Union Share Insurance Fund, or their successors, as hereinafter designated by the Township Board pursuant to a depository agreement. Such agreement shall provide that money in said fund shall be withdrawn from time to time as needed for the payment of costs of the Project and the fees and expenses of issuing the Bonds and that said money shall be withdrawn from the depository from time to time by the Treasurer of the Township only upon submission by him or her to said depository of the following:

(i) If such withdrawal of funds by the Treasurer is for payment to a supplier, materialman, or contractor for work done in connection with the Project, a certificate executed by the engineer in charge of the construction of the Project stating the amount of materials supplied or the nature of the work completed, that such materials have been properly accepted or such work approved by him, the amount due and payable thereon, and the account remaining to be paid in connection with the Project; and

(ii) A duplicate copy of the order signed by the Supervisor and Clerk, or such other officer(s) as may from time to time be by law authorized to sign and countersign orders of the Treasurer of the Township, stating specifically the purpose for which the order is issued and indicating that the payment for which the order is issued has been approved by the Township Board.

Within 60 days after full depletion of the Construction Fund or payment of all costs of the Project, as herein referred to, and as heretofore approved by the Township Board, the Township Treasurer shall certify to the Township Board the fact of such depletion or the engineer in responsible charge of the Project shall certify to the Township Board the fact that the work has been completed according to approved plans and specifications, as applicable, and upon approval of such certification by the Township Board, funds (if any) remaining in the Construction Fund may be used for the improvement, enlargement, or extension of the System, if such use is approved by the Department, or shall be transmitted

by said depository to the Treasurer of the Township, and said Treasurer shall credit said funds to the Bond and Interest Redemption Fund, and the money shall be used only for meeting bond reserve requirements or for the redemption or purchase, at not more than the fair market value, of the Bonds. Bonds acquired by purchase shall be cancelled and shall not be reissued and the Construction Fund shall be closed.

Funds on deposit in the Construction Fund may be invested by the depository at the direction of the Treasurer in the same manner as provided in Section 15(F) of this Ordinance for moneys in the several funds of the System.

Section 24. Defeasance. Bonds which are no longer Outstanding Bonds as defined in this Ordinance shall cease to have any lien on or right to receive or be paid from Net Revenues, and shall no longer have the benefits of any covenant for the holders of Outstanding Bonds as set forth herein as such relates to lien and security for the Bonds in the Net Revenues.

Section 25. Provisions a Contract. The provisions of this Ordinance shall constitute a contract between the Township and the holders of the Bonds and no changes, additions, or alterations of any kind shall be made hereto, except as herein provided, so long as there are any Outstanding Bonds.

Section 26. Non-Arbitrage; Rebate Requirement; and Tax-Exemption. The principal proceeds from the sale of the Bonds shall be devoted to and used with due diligence for the purpose for which the Bonds are hereby authorized to be issued.

One purpose of this Section is to set forth various facts regarding the Bonds and to establish the expectations of the Township Board and the Township as to future events regarding the Bonds and the use of Bond proceeds. The certifications and representations made herein and at the time of the issuance of the Bonds are intended, and may be relied

upon, as certifications and expectations described in Section 1.148-2(b)(2) of the U.S. Treasury Regulations dealing with arbitrage and rebate (the "*Regulations*"). The covenants and agreements contained herein and at the time of the issuance of the Bonds are made for the benefit of the owners from time to time of the Bonds.

The Township agrees and covenants with the purchasers and holders of the Bonds from time to time outstanding that, to the extent possible under State law, it will comply with whatever federal tax law is adopted in the future which applies to the Bonds and affects the tax-exempt status of the Bonds.

The Township Board hereby acknowledges that pursuant to Section 148(f)(4)(D) of the Code the Township is excepted from the required payment of "*excess arbitrage profits*" to the United States because (a) the Township is a governmental unit with general taxing powers, (b) none of the Bonds is a "private activity bond" as defined in Section 141(a) of the Code, (c) all the net proceeds of the Bonds are to be used for the local governmental activities of the Township, and (d) the aggregate face amount of all tax-exempt obligations (other than private activity bonds) issued by the Township and all subordinate entities thereof in calendar year 1994, including the Bonds, will not exceed \$5,000,000.

The Township Board hereby authorizes the officials of the Township responsible for issuing the Bonds, the same being the Supervisor, Clerk and Treasurer of the Township, to execute the Tax Exemption Certificate and to make such further covenants and certifications as may be necessary to assure that the use thereof will not cause the Bonds to be arbitrage bonds and to assure that the interest in the Bonds will be exempt from federal income taxation. In connection therewith, the Township and the Township Board further agree: (a) through its officers, to make such further specific covenants, representations as shall be truthful, and assurances as may be necessary or advisable; (b) to consult with counsel

approving the Bonds and to comply with such advice as may be given; (c) to pay to the United States, as necessary, such sums of money representing required rebates of excess arbitrage profits relating to the Bonds; (d) to file such forms, statements, and supporting documents as may be required and in a timely manner; and (e) if deemed necessary or advisable by its officers, to employ and pay fiscal agents, financial advisors, attorneys, and other persons to assist the Township in such compliance.

Section 27. Opinion of Counsel Exception. The Township reserves the right to use or invest moneys in connection with the Bonds in any manner, notwithstanding various tax covenants it or its officers may make, provided it shall first have received an opinion from an attorney or a firm of attorneys of nationally recognized standing in matters pertaining to Tax-exempt bonds to the effect that use or investment of such moneys as contemplated will not adversely affect Tax-exempt status for the Bonds.

Section 28. Designation of Issue. The Township hereby covenants that the Township and all subordinate entities thereof will not issue any obligations of any kind or for any purpose in excess of the total aggregate amount of \$5,000,000 during the calendar year 1994, and the Township hereby designates the Bonds as obligations being issued for the purposes of meeting the requirements of Section 265(b)(3) of the Code regarding qualified tax-exempt obligations.

Section 29. Registered Form. The Township recognizes that Section 149(a) of the Code requires the Bonds to be issued and to remain in fully registered form in order that interest thereon is exempt from federal income taxation under laws in force at the time the Bonds are delivered. In this connection, the Township agrees that it will not take any action to permit the Bonds to be issued in, or converted into, bearer or coupon form.

Section 30. List of Bondholders. The Bond Registrar shall maintain a list of the names and addresses of the holders of all Bonds and upon any transfer shall add the name and address of the new Bondholder and eliminate the name and address of the transferor Bondholder.

Section 31. Rights and Duties of Bond Registrar. If requested by the Bond Registrar, the Supervisor and Clerk are authorized to execute the Bond Registrar's standard form of agreement between the Township and the Bond Registrar with respect to the obligations and duties of the Bond Registrar hereunder which may include the following:

(a) to act as bond registrar, authenticating agent, paying agent and transfer agent as provided herein;

(b) to maintain a list of Bondholders as set forth herein and to furnish such list to the Township upon request, but otherwise to keep such list confidential;

(c) to give notice of redemption of Bonds as provided herein;

(d) to cancel and/or destroy Bonds which have been paid at maturity or upon earlier redemption or submitted for exchange or transfer;

(e) to furnish the Township at least annually a certificate with respect to Bonds cancelled and/or destroyed; and

(f) to furnish the Township at least annually an audit confirmation of Bonds paid, Bonds Outstanding and payments made with respect to interest on the Bonds.

Section 32. Severability. If any section, paragraph, clause or provision of this Ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Ordinance.

Section 33. Repealer. All ordinances, resolutions or orders, or parts thereof, in conflict with the provisions of this Ordinance are to the extent of such conflict hereby repealed.

Section 34. Recording and Publication. This Ordinance shall be recorded in the minutes of the meeting of the Township Board at which it is adopted as soon as practicable after its passage and such record shall be authenticated by the signatures of the Supervisor and Clerk of the Township. This Ordinance shall be published once within ten (10) days of passage hereof by the Township Board in the *Southcounty Gazette*, being a newspaper having general circulation within the boundaries of the Township.

Section 35. *Effective Date.* This Ordinance shall be in effect immediately upon its passage by the Township Board.
